

SERVICE BULLETINS

These Bulletins have been compiled to supplement technical information contained in the Passenger Car Workshop Manuals. These Bulletins are published to cover production changes, updated repair and diagnosis procedures that have been developed.

CONTENTS – Bulletins are grouped by Year and subject and can quickly be located by using the tab index.

Each group has an index identifying the Bulletin Number, Title and Vehicle Model. If any Bulletin is changed, it is stamped “Revised” and any revised Bulletins follow the original.

PART NUMBERS – Published in the Bulletin are subject to change. Consult your current parts catalogues to confirm part numbers and availability.

POLICY – These Bulletins are supplied as technical information only and are not an authorisation for repairs. Reprinting of this material in whole or part is not authorised unless approved.

Mitsubishi Motors Australia Ltd. reserves the right to make changes in design or to make additions or improvements in its product without imposing any obligations upon itself to install them on its products previously manufactured.
